Good Luck Isabella as you embark on a new academic journey. We are very proud of the young woman you have become and all you have accomplished thus far. Follow your dreams!

P.S. Sammy, Charlie and Mia are also very proud of you!

Isabella N. Giubilo

Micayla C. Rossi

The 7th grade you sent a letter to the future 8th grade you. I saved it and in your own words you predicted correctly.. You ARE still best friends with Tiana, kind to all your friends, you do love us and WE will always care about you. Of course, you are done with your brace and your writing is nicer. What's funnier is you say you don't know what else to write in your letter, now you are interested in communications. No bones about it Micky, (remember you always would choke on ice cream hehehe) we are blessed with 18vrs of laughter and fun memories. Life would be dull without you! Love xoxo Mom and Dad
